**AMEND Senate Bill No. 1306**

**House Bill No. 926\***

By deleting the third and fourth sentences of the amendatory language of subsection (a) in Section 1 of the introduced bill and by substituting instead the following:

Powered application equipment that may be used by a person maintaining this license shall be limited to no more than a twenty-five (25) gallon tank with a 12 volt pump limited to a maximum of one (1) gallon per minute and limited to a three-eighths inch (3/8") discharge hose up to fifteen feet (15') in length with a handheld spray.

AND FURTHER AMEND by adding the following language to Section 1 as a new subsection (h):

(h) Regardless of any other provision of the law to the contrary, no person shall be required to obtain a license for the purpose of applying a herbicide having the sole active ingredient of "Glyphosate" and the only application equipment used is one (1) of the following:

- (1) Five (5) gallon or less hand-held compressed air sprayer; or
- (2) Five (5) gallon or less backpack sprayer.
